

## **GETTING STARTED IN MAIDSTONE**

- You will need to have a team of minimum 7 players (who will turn up rain or shine as it is out doors).
- Choose a name for your team.
- Have some practice games so as to decide at what level you would want to enter. There are courts available for hire, please email [mmnl@talktalk.net](mailto:mmnl@talktalk.net).
- You can hire courts for practice matches @ £20.00 per court. As you already know of another team, may be they would be willing to give you some practice matches. You can find the fixtures on the web site which will show when there is a spare court.
- To enter the summer you will need to let me know that you wish to take part in the summer season (which is played for fun mixed divisions) and at what level you are.
- To enter the winter season you will need to come along to the AGM held in June to get an application form and other information.
- There are fees to consider which are as follows:
  1. Entrance fees are £60 for a team of 7 then increasing by £7 for each extra player (per year).
  2. Court fees £15.00 per match.
  3. All teams must be a member of Netballs governing body ALL ENGLAND NETBALL ASSOCIATION (AENA) this is £25.50 per player per year and covers you for personal injury. The membership fee is due each September.
- You will need to provide an umpire for each game. A list of umpires is given to each team together with phone numbers. You are required to arrange an umpire for your game. As a league, we suggest that you offer the umpire £7 for their expense (travel etc).
